This Transfer Petition is filed to transfer O.P.137/06 pending before the Family Court, Palakkad to any other Family Court in the interest of justice. The unfortunate couple had fallen out and the transfer petitioner is an advocate by profession practising in the district centre and it is an embarrassment for him to appear before the Family Court where he regularly conducts cases and the respondent would submit that it is not a ground for transfer and it is only to put the respondent therein to difficulties.

2. I persuaded the counsel appearing for both the sides to find out a solution for the problem and the main apprehension appears to be that if a trial is conducted not in-camera there will be embarrassment but if it is done in-camera it may reduce the difficulties. So taking into

consideration the difficulties of both the sides I feel this transfer petition can be disposed of directing the Family Court, Palakkad to invoke Section 11 of the Family Court's Act and conduct the proceedings in-camera. I am informed that the matter is in the list and the counsel for the petitioner prays that some time is necessary to get ready with the matter. Therefore, Family Court is directed to give one month's time for the Transfer petitioner to get ready with the case. Still parties can think about a reunion, the counsel appearing in the Court below shall persuade them to do the same.

The Tr.P.C. is disposed of accordingly.

M.N. KRISHNAN, JUDGE.
